

REMARKS

Applicant respectfully requests that the foregoing amendments be made prior to examination of the present application.

In the specification, paragraph 1 has been deleted in order to remove the cross-reference to PCT/NL03/1024286. The cross-reference was erroneously added into the specification through a preliminary amendment filed September 10, 2004.

This Second Preliminary Amendment is being filed concurrently with a Petition to Convert PCT National Stage Application Under 37 C.F.R. § 1.182.

Applicant believes that the present application is now in condition for allowance. Favorable consideration of the application as amended is respectfully requested.

The Examiner is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,
